A Calendar of Daily Book Celebrations

Can you find the link between the day and the book? All mistakes (or made up days) are either our fault, or just for fun.

<p><b>FUN FACT:</b> The book <u>Crow, Not Crow</u> is based on a family story. When son/co-author Adam Stemple first taught his</p>	<p>wife Betsy to identify birds, he started by having her choose "crow" or "not crow" &amp; moved on from there.</p>	<p>Today, Betsy, and their 2 kids, are all great birders. And it all began with "crow, not crow."</p>	<p><b>1</b> Gib Dickinson's Birthday</p> <p>My Uncle Emily</p>	<p><b>2</b> Monarch Butterflies are Migrating</p> <p>Milkweed Days</p>	<p><b>3</b> Kid Detective Day*</p> <p>Inway Investigators</p>	<p><b>4</b> Make Friends with a Dragon Day*</p> <p>Dragon Boy</p>
